

Experience *Magic* in Every Sip!

Elevate your festival and event experience with the Reclaimed Aluminum Cup, made from 100% post-consumer recycled aluminum! At the intersection of sustainability and entertainment, PBB0517 transforms the ordinary drinking cup into a must-have collectible. The innovation doesn't stop there; with allover printing technology, this cup comes to life, changing colours with cold drinks, delivering an unforgettable visual experience around your brand.
